MEMORANDUM FOR: Legislative Counsel

ATTENTION:

25X1

FROM: Robert W. Gambino
Director of Security

SUBJECT: House Select Committee on
Assassinations Requests (U)

1. (U/AIUO) Action Requested: None; for information only.

2. (C) Background: Reference is made to the attached requests from the House Select Committee on Assassinations (HSCA) dated 9 March (OLC 78-1058/1) and 13 March 1978 (OLC 78-1069/1; OLC 78-1070/1). Because items numbered 2 - 4 on the 9 March request appear to be within the purview of the Directorate of Operations, the Office of Security has addressed only #1 (list of documents in Agency possession concerning Lee Harvey Oswald prior to the opening of his 201 file). The date of the opening of Oswald's 201 has no relevance for this Office since a 201 file is unique to the Directorate of Operations only. Therefore, a list of documents in the possession of the Office of Security regarding Oswald prior to the assassination of President John F. Kennedy has been drawn up. That list is attached herewith.

(U/AIUO) Regarding the 13 March request for all
